

Thanks for Buying our Product!

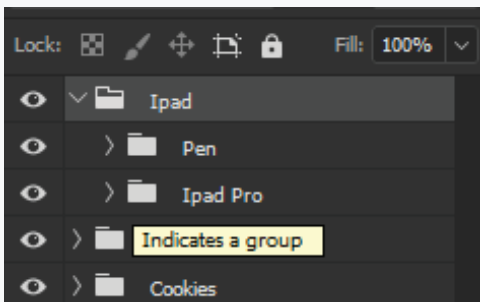

# Mobile Mockup

## SOFTWARES USED

### ADOBE PHOTOSHOP CC

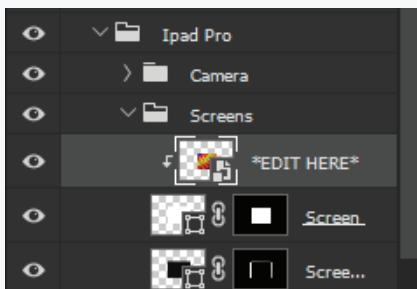

## HOW TO EDIT

1. Open the File in PSD, all the folders and layers are grouped accordingly.

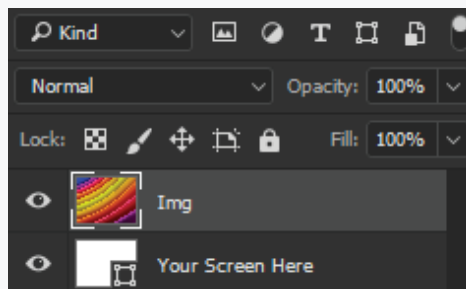

2. (i) To Change the Mockup image Go to “EDIT HERE” layer and “Doble Click” shown in the image. (ii) After that a New Window will open, Delete that “Img” file and replace your image and “Save” that Window and close it, You’re done!

(i)

(ii)

## FREE FONT USED

Poppins - <https://fonts.google.com/specimen/Poppins?query=Poppins>
